EXECUTIVE SUMMARY

GENERIC INTERCONNECTION AGREEMENT

FOR

WINSTAR COMMUNICATIONS, LLC OH, WI

Winstar Communications, LLC has signed a Sectional MFN Interconnection Agreement with Negotiated Reciprocal Compensation into Level 3 Communications, LLC Interconnection Agreement for the states of Ohio and Wisconsin.

Both the electronic and hard copy files of the underlying contract were without the 911 Appendix for Connecticut, yet it is included on the index. Both underlying files also include the Ohio Commissioned Performance Measurements Appendix and the Oklahoma Commissioned Performance Measurements at the end of the document, but not listed in the index.

The Negotiated Appendix Reciprocal Compensation is included in the agreement.

Language changes include CLEC name and notice information and the language on the matrix below.

GT&C	1 st Page	<p>Add WHEREAS opt into language:</p> <p>WHEREAS, pursuant to Section 252(i) of the Federal Telecommunications Act of 1996, CLEC and AMERITECH have entered into an agreement, portions of which are based upon the same terms and conditions contained in the AMERITECH/Level 3 Communications, LLC Agreement for the States of Ohio and Wisconsin ("the underlying Agreement.") and other portion(s) of which were voluntarily negotiated.</p>
------	----------------------	---

GT&C	1 st Page Intervening Law language	<p>Add WHEREAS:</p> <p>WHEREAS, by executing this MFN Agreement providing certain rates, terms and conditions, Ameritech reserves all appellate rights with respect to such rates, terms and conditions and does not waive any legal arguments by executing this Agreement. In particular, AMERITECH notes that on January 25, 1999, the United States Supreme Court issued its opinion in <i>AT&T Corp. v. Iowa Utilities Bd.</i>, 525 U.S. 366 (1999) (and on remand, <i>Iowa Utilities Board v. FCC</i>, 219 F.3d 744 (8th Cir. 2000)) and on June 1, 1999, the United States Supreme Court issued its opinion in <i>Ameritech v. FCC</i>, No. 98-1381, 1999 WL 116994, 1999 Lexis 3671 (1999). In addition, on July 18, 2000, the United States Court of Appeals for the Eighth Circuit issued its opinion in <i>Iowa Utilities Board v. FCC</i>, No. 96-3321, 2000 Lexis 17234, which is the subject of a pending appeal before the Supreme Court. AMERITECH further acknowledge that on November 5, 1999, the FCC issued its Third Report and Order and Fourth Further Notice of Proposed Rulemaking in CC Docket No. 96-96 (FCC 99-238), including the FCC's Supplemental Order issued <i>In the Matter of the Local Competition Provisions of the Telecommunications Act of 1996</i>, in CC Docket No. 96-98 (FCC 99-370) (rel. November 24, 1999), which is the subject of a pending request for reconsideration and a pending appeal. It is AMERITECH's intent and understanding of state and federal law, that any negotiating history, appeal, stay, injunction or similar proceeding which impacts the applicability of such rates, terms or conditions to the underlying Agreement will similarly and simultaneously impact the applicability of such rates, terms and conditions to CLEC under this MFN Agreement. In the event that any of the rates, terms and/or conditions herein, or any of the laws or regulations that were the basis for a provision of the Agreement, are invalidated, modified or stayed by any action of any state or federal regulatory bodies or courts of competent jurisdiction, including but not limited to any decision or proceeding referenced herein, the Parties shall immediately incorporate changes from the underlying Agreement, made as a result of any such action into this Agreement. Where revised language is not immediately available, the Parties shall expend diligent efforts to incorporate the results of any such action into this Agreement on an interim basis, but shall conform this Agreement to the underlying Agreement, once such changes are filed with the Commission.</p>
------	--	---

The hard-coded term date to the underlying agreement is May 26, 2003.

The critical date for notice to the underlying agreement is November 27, 2002.

Edmond Gueringer (312-335-6543) is the Lead Negotiator for Winstar Communications, LLC.
